

2024-2025 Program Year Accomplishments

Quality Start San Bernardino County (QSSB) is a collaborative of early learning partners, educators, and champions who are working together to enhance the quality of local early learning programs for San Bernardino County's youngest children through the development of a Quality Rating and Improvement System (QRIS) through the Quality Counts California (QCC) Consortium. Established in 2015, this partnership created a strategic plan to guide the design, development, and implementation of the local QRIS.
